COURSE DESIGN –

- Basically, these are Skill Enhancement Courses.
- On arrival, the basic skills of the fellow are assessed and accordingly training module suggested for further skill enhancement.
- The learning is stepwise.
- Initial sessions are taken on Animal (Goat) Eyes in the Wet Lab; once a particular step is mastered in Wet Lab, the same is performed in OT. The training is fully supervised and guided all the time.
- In Cataract Surgery training, three options are available – ECCE, SICS and Phacoemulsification
- The Training includes theory, audio visual aids as well.
- The team of trainers is led by Consultant and includes Consultants and Fellows (who are qualified ophthalmologists).
- The method of training is Just like in any Medical College. **However, it is important to note here that even today, many Medical Colleges do not have such training facility and they teach surgery directly on patients.**

ELIGIBILITY CRITERIA FOR SURGICAL TRAINING PROGRAMS –

- Qualified Ophthalmologists possessing Diploma or Degree in Ophthalmology
- Residents in Ophthalmology – 2nd year onwards
- Valid registration or licence with respective medical council to practice in their own country

FACULTY LIST – ENCLOSED

INFRASTRUCTURE OF THE HOSPITAL –

- Mahatma Eye Bank Eye Hospital Nagpur is run by SMM Eye welfare Charitable Trust
- It is a **SINGLE SPECIALITY EXCLUSIVE OPHTHALMOLOGICAL INSTITUTE**
- The Institute is **NABH ACCREDITED** and recognised Post Graduate Institute for **DNB** in ophthalmology. Hence periodic inspections are done by the authorities.
- The 3 storeyed building is built on 12000 sq feet area.
- Almost all Ophthalmic subspecialties are available under one roof
- The OPD has 8 Consultation rooms, 3 Refraction rooms – each equipped with all necessary gadgets for complete eye examination.
- Specialised Ophthalmic Investigations available include – Perimetry, OCT, Fundus Camera, a scan, B scan, Topography, Specular microscope etc
